

JWST Project

Meeting Notes #7 (due 04/12/23)

Instructor: McCleary

Student: Eddie Berman

Agenda

1. Volunteer Assignment
2. Chi Square
3. Workday Logistics
4. Finalized Summer 1 Plans

Volunteer Assignment

More than halfway through

Chi Square / Project Updates

1. Implemented Chi-Square in my test software, which now works somewhat okay!
2. Converges to correct answer sometimes
3. Still need to do some preconditioning and understanding why matrix factorization sometimes fails
4. Finalized Summer 1 Plans
